UMT Live!

# TEAMBUILDING THAT TAKES EVERYONE BACK IN TIME

*Ultimate Mix Tape Live!* takes its participants on a feel-good trip through the totally awesome music of decades past.

**T**his laughter-inducing, memory-triggering, fully-interactive, and group-based music trivia event is quite unlike a typical sit-in-your-seat trivia night. In fact, it's a totally unique teambuilding event. Questions are presented by an experienced host who reveals the answers by playing the actual songs. Attendees are then encouraged to get up and participate in various activities together to earn "Bodacious Bonus Points." Team play makes this an amazing time for everyone — even introverts will be laughing and dancing without hesitation!

## NOSTALGIA + TEAMBUILDING = THE PERFECT MIXTAPE

Mention music from years past and people will naturally share their favorite songs, videos, or concert experiences. Finding commonalities in music, pop culture, and shared memories can form fast yet strong bonds.

"We shared so many laughs that by the end of the night, we all felt we connected in an authentic and genuine way!"

— LINDA RUGGERI, WRITER, EDITOR, AND AUTHOR

"UMT LIVE! didn't just break the ice; it shattered it! ... had our attendees dancing and singing and making new friends that traveled with them throughout the next few days."

— ANGELA BOLE, CEO,  
INDEPENDENT BOOK  
PUBLISHERS ASSOCIATION
